

SAFETY Bulletin SA/006/2025

This safety bulletin has been compiled using the documents available from the Dept of Transport (DoT) in South Africa.

10th Oct 2025 is Dangerous Goods Awareness Day, therefore please distribute the posters to staff in your organisation involved with the transportation of Dangerous Goods by Road.

The Public Dangerous Goods Awareness poster can be used in schools and other public facilities for educational purposes.

We aim to broaden the public's awareness of the hazards associated with the transportation of dangerous goods by road.
